- ♥ Local and professionally staged year-end recital at the Chanhassen High School Theater
- ♥ We have the largest variety of days/times available for all age groups in our recreational program
- ♥ Our studio is a home away from home for many dancers and their families. We have created a studio where everyone feels welcome and important.

**The TDW facility is second to none in Minnesota! We boast of a 20,000 square foot facility created with dancers and their families in mind!**

- ♥ 5 large, production size studios with state of the art floating floors, walls of mirrors and barres.
- ♥ 2 huge lobbies with plenty of seating for parents to enjoy watching their dancer during class via viewing windows OR TV monitors.

- ♥ Fully stocked and clean playroom for younger siblings or for our littlest dancers to enjoy before or after class.

**RECREATIONAL CLASSES** are offered for those students (both boys and girls!) ages 18 months - 18 years old who are looking for a great way to meet new friends, learn new styles of dance and/or perfect what they have already learned. We have a huge variety of styles and class times available. These dancers perform in our year end recital for their families and friends at the beautiful Chanhassen High School Theater.

**PERFORMANCE CLASSES** are available for students age 7 and up who are interested in testing out competition and performance opportunities but are not yet ready for the commitment of a Performing Line. These classes are offered in hip hop, lyrical and kick line styles. Dancers will attend one local competition, perform at a nearby nursing home as well as in our year end recitals.

**PERFORMING LINES** are offered for experienced dancers ages 5 and up. These dancers dance 2 days a week or more and compete in multiple styles during the school year season. Their classes are geared towards refining their dance skills and technique in order to prepare them for dancing on a high school team, in college, theater, or competing for TDW throughout their dance years. They attend a yearly convention, participate in local philanthropic events and team social activities. If this sounds like something your dancer would be interested in, please contact **Tracy at TDW5678@gmail.com.**
